## Dr. Roseann Mikos has made a difference ...

“From her membership on the Moorpark Community Development Committee to her work on the Ventura County Commission on Human Concerns, Councilmember Roseann Mikos has always placed the needs of Moorpark residents first.”

Pat Hunter

Mayor of Moorpark

“When my firm, Zelman, came before the Moorpark City Council trying to bring Target, Kohl’s, and the other Moorpark Marketplace stores and restaurants to Moorpark, Dr. Mikos served you well. She was not an “automatic yes” by any means—but was a thoughtful and fair “yes,” really looking out for YOUR interests, before approving our project. Without her “yes” vote, you would not have the Moorpark Marketplace now. She is exactly the kind of person you need to bring quality shops and stores to Moorpark.”

Bob Exel

Moorpark Marketplace

“I have been elected to public office six times in Moorpark but I have never had a colleague who as thoroughly studies and analyzes issues affecting our community as does Dr. Roseann Mikos. She is a community resource who we can’t afford to lose!”

Dr. Clint Harper

Moorpark City Council
