

Dr. Roseann

MikOS

Moorpark City Council

Dr. Roseann Mikos ...

- The leader of the Moorpark S.O.A.R. campaign - coauthor, and the ONLY candidate for Moorpark City Council who worked to pass S.O.A.R. and give YOU the right to vote directly on important development issues facing our community
- Has written grants that brought over \$1 million in funding to local schools
- Is working on the County's Citizen's Transportation Advisory Committee to improve Moorpark's traffic
- Works for and volunteers in local recreation programs for adults, teens, and children
- Endorsed by Mayor Patrick Hunter, Councilmember Clint Harper, and the Los Angeles Times

Who do you trust more? ... the incumbents Chris Evans and Debbie Rodgers who tried to stop S.O.A.R. and stop you from voting on it, or Roseann Mikos who fought hard for S.O.A.R. - to preserve YOUR vision for Moorpark?
